For Democrat and Chronicle Thumbs Up!

Thumbs Up! To Visiting Nurse Meals On Wheels for doubling its Warmest Wishes Campaign this year; in all, 400 Warmest Wishes gift bags were filled and delivered to Meals On Wheels recipients and VNS long-term home health care patients. Special thanks to the Strands of Love Knitting Ministry at St. Joseph's Church in Penfield and MaryEllen Mraz who donated lap blankets; to the Country Neighbors Quilt Guild for donated placemats; and to the 80 volunteers who distributed the bags throughout Monroe County.
